

“Opening Schools to parents for successful integration”

Do you want

- to learn French or improve your knowledge of French?
- to know the organisation of the education system in France and help your child in his/her education?
- to discover the principles that apply to life in France, including the values of the Republic?

Free training sessions

are provided by teachers or staff members of certified associations

in primary schools ...
in secondary schools ...
in technical high schools ...
in high schools ...
